

## Unique Welfare

### What are the benefits in becoming a partner?

You get the opportunity to change the lives of animals for the better without having to directly face the evil/cruelty and neglect that we fight against every single day. A kind gesture is sometimes all that needed for new hope and life. You have the power to give life.

- **You get the opportunity to change the lives of animals for the better without having to directly face the evil/cruelty and neglect that we fight against every single day. A kind gesture is sometimes all that needed for new hope and life. You have the power to give life.**
- The opportunity to specify where you want your donation to be allocated too (for admin purposes please note this is relevant from R1000 per month and upwards donations. This includes level 3, 4 and 5 partners).
- **An opportunity to upload your company detail and logo immediately onto our website as you donate. (this is for level 4 and level 5 partners).**
- A Section 18A certificate (tax-deductible invoice) on request within 48 hours.
- **The opportunity to join our outreaches, become a volunteer and shadow with an Inspector in the field.**
- **The opportunity to support Inspectors and be part of a desperate change that's needed.**
- **You can be part of our educational programs to schools and outreaches.**
- **An annual gift on your birthday (preferred date) for yourself and/or for anyone else who you may nominate.**
